Youth Steering Group Report

The Youth Group, led by Clive Belford who has been ably assisted by his team, has again had a reasonably successful year. They have enjoyed various trips and activities which included caving in Derbyshire, trips to Superbowl and the Lazertag Centre in Mansfield. They have also been to Sherwood Pines, Alton towers and the Odeon Cinema. Many activities have taken place in the Youth Centre throughout the year including a Christmas disco and Grotto. The Parkour Zone has now been completed and is set to be officially opened by Notts. County Council on Monday 7th April at 11 am. Many thanks go to MDC officers for bringing the project to fruition, but mainly to MDC Engagement Officer, Sioned Dolan for her determined perseverance.

Sadly, the Youth Club's funding will finish at the end of March. This means that we will lose the services of Clive and the other youth workers. But thanks to Alistair's determination, the Centre will remain open with a skeleton staff of Jackie Evans & Tony Chant who will run sessions on two evenings a week until the new funding which Alistair has obtained from Children In Need comes on stream.
