

## Nottinghamshire Coalfield

### Section 5 - Landscape Guidelines

## Species List

### Nottinghamshire Coalfield

■ Dominant Species

□ Other Species Present

The following list includes native tree and shrub species that are commonly found within the **Nottinghamshire Coalfield** region and are suitable for inclusion in planting schemes. These are important for determining the area's regional character. A

range of other native species may also be appropriate to particular locations or sites. In these cases professional advice should be sought. A list of organisations able to provide such advice has been included at the back of this manual.

TREES	WOODLANDS	HEDGES	HEDGEROW TREES	WET AREAS/ STREAMSIDES
Alder	<input type="checkbox"/>			<input checked="" type="checkbox"/>
Ash	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Aspen	<input type="checkbox"/>			
Beech	<input type="checkbox"/>			
Birch (Silver)	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Cherry (Wild)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Crab Apple	<input type="checkbox"/>	<input type="checkbox"/>		
Elm (English)	<input type="checkbox"/>			
Elm (Wych)	<input type="checkbox"/>	<input type="checkbox"/>		
Lime (Small Leaved)	<input type="checkbox"/>			
Lime (Large Leaved and Hybrid)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Maple (Field)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Oak (Common)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Rowan	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
Willow (Crack)	<input type="checkbox"/>	<input type="checkbox"/>		<input checked="" type="checkbox"/>
Willow (White)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Yew	<input type="checkbox"/>			

SHRUBS	WOODLANDS	HEDGES	HEDGEROW TREES	WET AREAS/ STREAMSIDES
Blackthorn	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Broom	<input type="checkbox"/>	<input type="checkbox"/>		
Dogwood (Common)	<input type="checkbox"/>	<input type="checkbox"/>		
Gorse	<input type="checkbox"/>	<input type="checkbox"/>		
Guelder Rose	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Hawthorn	<input type="checkbox"/>	<input checked="" type="checkbox"/>		
Hawthorn (Midland)		<input type="checkbox"/>		
Hazel	<input type="checkbox"/>	<input type="checkbox"/>		
Holly	<input type="checkbox"/>	<input type="checkbox"/>		
Osier	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Privet (Wild)	<input type="checkbox"/>	<input type="checkbox"/>		<input type="checkbox"/>
Rosa Spp.	<input type="checkbox"/>	<input type="checkbox"/>		
Willow (Goat)	<input type="checkbox"/>	<input type="checkbox"/>		<input checked="" type="checkbox"/>
Willow (Grey)				<input type="checkbox"/>
